

Dear 2nd Grade Families,

Welcome! We are looking forward to working with you and having you as part of our team.

We recognize that many families wish to provide supplies for their own students or donate materials for the entire school community and are welcome to do so at any time. The supplies listed are suggested materials and are not required of any student or family to fully participate in the school's academic program. All required materials and supplies will be provided by schools to students at no cost.

Due to the extremely small desk space, we ask that you do not bring in "extras" such as large binders or large sets of markers. Keep all of those extras in your study space at home! We will send you messages throughout the year for additional items that we might need. We appreciate the interest you take in making this a successful year. Thanks for your help in getting this year off to a great start!

Your Second Grade Teachers
