

**PACC Program  
2026-2027 Supply List for Parents**

**Students in the PACC Program will need basic school supplies:**

- Washcloth
- Toothbrush
- Toothpaste
- Cup
- Hair brush and comb
- Gym shoes
- 1 change of clothes
- 1 Backpack

**Additional Important Information:**

To help ensure the health and safety of all students and comply with Illinois law, Freeport School District 145 reminds families that students entering Kindergarten, 6th grade, 9th grade, or an Illinois school for the first time (regardless of grade) must have a completed physical examination and required immunizations on file with the school.

Under Illinois School Code ([105 ILCS 5/27-8.1](#)), proof of the required health examination and immunizations must be submitted to the school by **October 15** of the applicable school year. Parents/guardians should ensure all required health forms, including the student's health history, are completed and submitted by this deadline.
