- Stopfinder App Update
  - This time last year we had to send 103 students back to Peters Elementary School because a parent wasn't at the bus stop.
  - This year we returned 15 students back to Peters Elementary School.
  - That is 88 fewer trips back to Peters which is saving us on gas, and overtime for drivers, Bus aids, and building personnel.
  - The app has yielded an approximate savings of $10,000 to date this year.
- Fuel Bid Amounts
  - Fuel Bid Spreadsheet
- Score Board Update
  - Maintenance is in the process of digging the trench from the bleachers to the scoreboard. And weather pending will have that section completed this week. This will be for data and power.

    - The installation of the scoreboard is now scheduled to start on 5/8/26.
- NLHS LSS Apartment first draft
- Committee would like the administration to continue to explore this project for informational purposes. We should also contact LCTI and LCCC. Look into donations for items needed.
