

LAKEVIEW ACADEMY

What is Georgia Promise?

The Georgia Promise scholarship is an education choice program. The program will provide eligible students with \$6,500 of public funds to pursue non-public education expenses in grades kindergarten through 12th grade.

Who is eligible for Georgia Promise?

Two primary factors determine a student's eligibility for Georgia Promise:

- A student has been enrolled in a Georgia public school for two consecutive semesters OR **is entering kindergarten.**
- The family resides in the attendance zone of a school on the Governor's list of the 25% lower-performing public schools.

Please Note: a child only needs to reside in one of the eligible attendance zones. He/She does not need to currently attend the low-performing school.

When and How Can I Apply?

The application window for families interested in Georgia Promise is on a rolling basis for specific dates. Please visit Georgia Promise at www.mygeorgiapromise.org for more information.

Please Note: The next application window opens on August 1st and closes on August 31st.
