

Dear Jackson-Milton Families:

As we close another successful school year, I would like to take a moment to thank our students, staff, families, and community for their hard work, support, and commitment throughout the year.

This school year was filled with many accomplishments both inside and outside the classroom. Our students demonstrated academic growth, excelled in athletics and extracurricular activities, and continued to represent our district with pride. These successes are a reflection of the dedication of our teachers, support staff, administrators, and the strong partnership we share with our families.

We also made significant progress on several district improvements projects that will continue to benefit our students for years to come. The addition of our new wood shop and welding classroom, expanded parking areas, and other facility improvements reflect our commitment to providing outstanding opportunities and learning environments for all students. This summer we will also be replacing the elementary school roof and will replace the old playground equipment with an entirely new playground. We are also in the beginning phases of constructing a new fieldhouse that is slated to break ground in the fall. All of these projects are being completed without any additional cost to the taxpayers.

As summer begins, I encourage our students to take time to relax, enjoy family and friends, and continue reading and learning whenever possible. We look forward to welcoming everyone back in the fall, refreshed and ready for another exciting school year.

Thank you for your continued support of Jackson-Milton Local Schools. It is truly a privilege to serve this community, and I am proud of all that we have accomplished together.

Have a safe, enjoyable, and well-deserved summer.

Yours in Education,

Kirk W. Baker
Superintendent
Jackson-Milton Local Schools
