

You will choose one book from the following selection:

Frankenstein by Mary Shelley

- ISBN: 978-0141439471

My Name Is Asher Lev by Chaim Potok

- ISBN: 978-1400031047

The Bonesetter's Daughter by Amy Tan

- ISBN: 978-0345457370

In the Time of the Butterflies by Julia Alvarez

- ISBN: 978-1565129764

I highly suggest getting your own copy of the book to annotate. A great resource for (cheaper) books would be Thriftbooks.com

What you should be doing when reading:

- ANNOTATE! ANNOTATE! Interact with the text as much as possible.
- Consider: your personal feelings/opinions, characterization (direct/indirect), theme
- Interact with the language. In 10th grade, we closely read and dissect language to evaluate theme and characterization as a whole
