

St Hugh's More Able Pupils Pathway

Throughout the school, pupils have opportunities for clubs, trips, competitions and other enrichment opportunities.

Pre Prep

Pupils are flexibly streamed in phonics.

Pupils with areas of strength are challenged in those areas, as identified by teachers.

Years 3-4

Pupils are set in maths and English.

More Able Pupils begin to be identified formally through standardised testing and teacher assessment, primarily in English, maths, science and sport, receiving an individual target in their area of strength.

The **Challenge Ambassadors** programme begins.

MAPs are invited and encouraged to join **Curious Minds** club.

Years 5-6

Pupils are set in French and Latin, as well as maths and English, from Y6.

More Able Pupils are identified in all subjects, with targets in all their areas of strength. Exceptionally Able pupils are identified.

The **Challenge Ambassadors** programme continues.

MAPs are invited and encouraged to join **Curiosity (Q) Club**.

St Hugh's More Able Pupils Pathway

Year 6 into 7

Pupils are encouraged to apply for internal scholarships in their area of strength: Art, Music, Sport and/or Academics.

More Able Pupils in the academics are discussed and chosen for the scholarship stream

Challenge Ambassadors and **Q Club** continue, including increasing opportunities to mentor pupils in Curious Minds club.

Years 7-8

Pupils are prepared for scholarships to St Hugh's or an external secondary school in their area of strength. More Able Pupils who choose not to do scholarship are included in this enrichment.

Academic MAPs are streamed separately (7S-8S).

Those that have earned scholarships receive mentorship from the Head of Department of their area of strength.

Challenge Ambassadors and **Q Club** continue, with MAPs encouraged to take on positions of responsibility and mentorship.

St Hugh's More Able Pupils Pathway

Year 9+

Those that have earned scholarships receive mentorship from the Head of Department of their area of strength.

Q Club continues, with MAPs encouraged to take on positions of responsibility and mentorship to scholarship candidates and MAPs in the Prep School.

Additional enrichment opportunities in the Senior School (both timetabled and voluntary) include a programme of Careers Education, Duke of Edinburgh, and enterprise.
