HIGH SCHOOL: STUDENT RECLASSIFICATION EIE(R1)

Every three weeks progress reports will be available to the parent, guardian or designee (as defined in EIE (LOCAL)).

Following the conclusion of the school year, the counseling office will send notification to the parents of all students who have not met the minimum number of credits to be classified in the next grade level.

After summer intervention opportunities, students who reach the classification minimum will be reclassified into the next grade level by their school counselor.

Students in the graduating cohort that meet the 18-credit requirement to be a Senior may be moved to 12th grade at the end of the first semester of their graduation cohort year. Students in lower cohorts may only be reclassified at the end of the school year and after summer school.
