Donated supplies
Thanks to our generous community partners, various donations are made to the district specifically for our families that can benefit students of all ages. Donated supplies are available for those in need on a first-come, first-served basis (while supplies last) at the Welcome Center, during Connect & Assess and via Cultural Family Liaisons and Social Workers.

The $10 Activity donation is preferred to be collected online via the Campus Parent Portal to reduce cash collection on site.

Once logged in to Campus Parent, please choose the School Store option in the menu options (top left)
