Sixes Elementary School

KINDERGARTEN SUPPLY LIST

2026-2027

In an effort to provide cost-effective options for our families, this year, the kindergarten team will be collecting a $40 yearly supply donation instead of asking for specific school supplies for each student.

The supply donation allows for each individual teacher to purchase the supplies that are necessary for their distinct classrooms and helps to maintain an equitable distribution of supplies. We hope it also relieves some of the beginning of the year burden for parents! Supply donations help cover the cost of any educational or art supplies in the classroom. This is a donation, and no child will be penalized if they are unable to pay. If you would like to donate a supply scholarship (in any amount) for a child who may not be able to pay, please speak with your child's teacher.

Required items that will be expected to be brought the first day of school.	
Backpack (no wheels, please) Lunchbox (if your child plans to bring lunch from home)	Boys- Disinfecting wipes
Headphones (no earbuds, please) *Noot brand headphones are usually cost-effective and hold up well, but any brand will be fine.*	Girls- Tissues
<u>Zip-Lock Bags</u> Boys -Gallon Size Girls- Sandwich Size	

Di

Additional items that may be purchased and brought in for use in your child's classroom as well as in specials (Art, PE, Music and STEM).	
Baby Wipes	Paper Towels
Hand Sanitizer	

<u>Sixes Meet and Greet</u>

You may pay the supply donation online or bring your supply donation (and any additional items) to Meet & Greet. ***Online payment information will be available mid-July.*

We look forward to an exciting year and can't wait to meet you!
