2024-25 District Expenditures

Where does the money go?

School Description

Laura Ingalls Wilder said, "It is not the things you have that make you happy. It is love and kindness and helping each other and just plain being good." At Wilder Elementary, we not only strive to exemplify this quote, but are also committed to implementing a rigorous curriculum based on state and district standards, providing exemplary teaching that meets the needs of all learners, creating a safe and welcoming learning environment for all students, and building strong partnerships with our community. As a staff, we feel our mission helps us to do our part in accomplishing both the Lake Washington School District Mission "Each student will graduate prepared to lead a rewarding, responsible life as a contributing member of our community and greater society" and the Lake Washington School Vision: "Every student will be Future Ready: Prepared for College, prepared for the Global Workplace, Prepared for Personal Success." Diversity is celebrated in our school community. We are proud of the way in which differences and similarities encourage relevant and authentic learning for everyone. Parent involvement is a key component to the success of our students. We have an active PTSA that hosts a variety of community events, provides financial support and resources for our school, and organizes enrichment opportunities for students. Parents volunteer throughout the school each day, supporting students and teachers as we work together to achieve school goals. Wilder Elementary is a wonderful place to grow, learn, and succeed. Go Wolves!

2024-25 School Goals

Teachers examined assessment data to determine school goals. Teachers met to discuss strategies to be used to increase performance in academic areas. Goals are monitored regularly.

English Language Arts/Literacy (Grades K-2):
90% or more of K-2 students will demonstrate benchmark proficiency in foundational reading skills (Phonics and Fluency) by Spring 2024, as measured by FastBridge screening report.

Math (Grades 3-5):
90% of students in grades 3-5 will be at or above standard in Mathematics as measured by the Smarter Balanced Assessment in Spring of 2024.

Social Emotional Learning (Grades 3-5):
61% of students in grades 3-5 will respond favorably in Emotional Regulation as measured by the Panorama Survey in Spring of 2024.
