VALEDICTORIAN

Celeste Mikaela Mora

Celeste Mikaela Mora proudly represents PSJA Memorial Early College High School as Valedictorian for the Class of 2026, graduating with a GPA of 5.1. She is the daughter of Ruben and Patricia Mora of San Juan. She is a Distinguished Level of Achievement with Collegiate Honors graduate. Her commitment to excellence is reflected in her enrollment in challenging math courses earning an Associate Degree in Mathematics from South Texas College in May 2025 with the President's Honor Roll.

Celeste holds leadership roles as president of the National STEM Honor Society and co-founder of the Environmental Science Club, advocating for environmental awareness and promoting STEM within her community while organizing events. Her experience as Editor-in-Chief of the Literary Lantern Magazine has also led to her ability to foster collaboration among others while setting goals and overseeing student submissions from across the district.

She actively participates in various extracurricular activities. Her deep involvement with National Honor Society and National English Honor Society has fostered her commitment to community service, and her participation in UIL Ready Writing and Literary Criticism exemplifies her academic skill as a UIL Ready Writing State Alternate and Literary Criticism Regional Qualifier. She was also selected as a Pharr Rotary Student of the Month and a member of the Hispanic Women's Network of Texas (HWNT) Latinas in Progress Education Series while taking part in the Harvard Zero-L Course Program.

Celeste is committed to her community, contributing over 200 volunteer hours to environmental events and cleanups, elementary and middle school tutoring, and assisting at school and local libraries. Furthermore, Celeste has earned national awards by College Board as an AP Scholar, Hispanic recognized student, Big Future ambassador, and College Board-selected tutor for SAT. She also achieved grants for her environmental projects by being recognized as a notable Hispanic Heritage Youth Award in Green Sustainability grant recipient across Texas and Oklahoma and a Texas EcoRise Student Innovation Grant and Certificate of Achievement recipient.

Celeste will be attending The University of Texas Rio Grande Valley as a Luminary Scholar in the fall to work towards a Bachelor's Degree in Environmental Science and Political Science. This scholarship will fully cover her undergraduate and graduate education. With a strong passion for the sciences and a commitment to making a positive impact in the law field, she has her sights on law school to become an environmental lawyer. Her academic achievements and extensive extracurricular involvement highlight her dedication to both her education and her community.

SALUTATORIAN

Dasha Vanyetl Leija

Dasha Vanyetl Leija is the proud PSJA Memorial Early College High School, Class of 2026 Salutatorian, with a grade point average of 4.97. She is the daughter of Yolanda and Cruz Leija of Alamo. Dasha will graduate from high school under the Distinguished Level of Achievement with Collegiate Honors graduation plan and is a Dual Language Scholar. In the fall of 2025, Dasha graduated from South Texas College, earning an Associate Degree in Interdisciplinary Studies and was recognized as a Vice President's Honor Roll student.

Dasha has been an active member of her high school where she has served as: Co-Founder of the Environmental Club, Vice President of the Law Enforcement Club, and a valuable member of the National Honor Society. Through hard work and dedication to her studies Dasha has also earned a certification as a substitute teacher.

As the Co-Founder of the Valle Verde Initiative, she led environmental sustainability efforts at our school, organizing eco-awareness campaigns and Earth Week events while collaborating with administration to implement long-term campus improvements. This initiative shows her creativity, problem-solving, and ability to lead others toward a shared goal. Dasha also excels as Vice president of the Law Enforcement Club, where she helped guide her team to both regional and state competitions, earning recognition in Search and Rescue events. Her involvement in organizations such as National Honor Society, GROWL Book Club, and Yearbook Club reflects her dedication to leadership, organizational skills, and perseverance. In addition to her extracurricular involvement, Dasha has devoted over 210 hours to the library, NHS, and community services. She has also participated in tutoring and educational outreach activities; contributed to local environmental events such as Pharr EcoFest and helped organize community-centered programs through various school organizations. Her commitment to service extends to mentoring younger students, supporting teachers, and participating in activities that help strengthen connections within her community. From tutoring middle school students and volunteering at Pharr EcoFest, to serving as a UIL Elementary Judge and Library Assistant, she consistently gives back to others through service and mentorship.

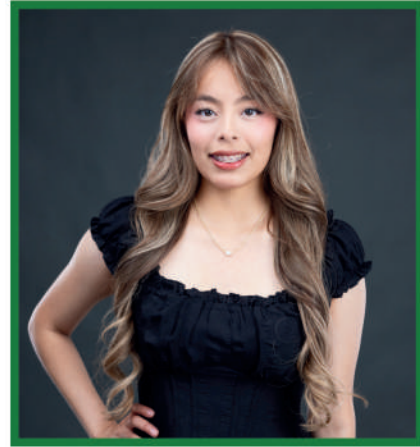

Dasha will be attending The University of Texas Rio Grande Valley in the fall to work toward a bachelor's degree in health science. Driven by a deep interest in the sciences and a desire to improve patient lives, she is pursuing a career as a physician assistant. Through her academic success and active community participation, she demonstrates a firm devotion to both her professional growth and service to others. Her compassion and commitment to her peers and community reflect maturity well beyond her years.
