Conclusion

VALEDICTORIAN

Julian Covarrubias Favela

Julian Covarrubias Favela is the 2025–2026 Class Valedictorian of PSJA North Early College High School. Julian is the son of Lorena Favela and Eduardo Covarrubias of Mexico City.

Julian will graduate under the Distinguished Level of Achievement with Collegiate Honors and a biliteracy seal on his diploma for his participation in the Dual Language Program. He currently holds a 4.9105 GPA, is a recognized AP Scholar with Distinction by College Board, and an officer and member of the National Honor Society. On May 8, he graduated from South Texas College with an Associate Degree in Mathematics, consisting of over 70 college credit hours, and earned the honor distinction of graduating Summa Cum Laude.

After moving between eight states and major cities, including New York City and Mexico City, throughout his childhood, Julian developed a fascination with art, music, and the environments that shape human connection. His experiences with architecture and music inspired his interest in acoustics and spatial design, leading to his goal of creating spaces that bring people together through sound, performance, and community.

Throughout high school, Julian has pursued excellence in music performance and leadership. He currently serves as Head Drum Major of the PSJA North Marching Band after previously performing on both front ensemble and drumline. Under his leadership, the marching band achieved one of the strongest UIL state-level seasons in school history. Julian earned recognition as a TMEA All-State Percussionist and principal timpanist for the TMEA All-State Orchestra while also receiving numerous first-chair honors across TMEA region band, orchestra, percussion ensembles, and PSJA ISD.

Internationally, Julian gained distinction through marimba performance as a 2-time semifinalist and top-ranked competitor at the Great Plains International Marimba Competition in Oklahoma City. In doing so, he became the first percussionist from the Rio Grande Valley to advance to the international level of the competition. He is also a thirteen-time UIL regional solo and ensemble gold medalist across marimba, percussion ensemble, and jazz performance, as well as a UIL State Solo & Ensemble Outstanding Performer for marimba solo performance.

Beyond music, Julian is an accomplished visual artist and multi-year TAEA VASE regional and state medalist, earning a Gold Seal at the state level for his 2D artwork. Along with recognition in the U.S. Congressional Art Competition, his work has been displayed in exhibitions across Texas and often explores the relationship between emotion, movement, and physical space.

This fall, Julian will attend Rice University on a full-ride scholarship to pursue a six-year professional architecture degree. Selected as one of approximately 20 students admitted each year into the highly selective Rice School of Architecture undergraduate program, he plans to continue researching acoustics and spatial design while creating spaces that connect communities through art and music.

SALUTATORIAN

Alejandro Yurem Rodriguez

Alejandro Yurem Rodriguez is the 2025-2026 Class Salutatorian of PSJA North Early College High School. Alejandro is the son of Yanire Suarez of Rio Bravo.

Alejandro will graduate under the Distinguished Level of Achievement with Collegiate Honors Program with a grade point average of 4.8918. Through his determination, discipline, and passion for learning, Alejandro graduated Summa Cum Laude from South Texas College with an Associate of Science degree in Computer Science. He was also recognized by College Board as an AP Scholar and received the National Recognition Award for academic excellence and achievement.

Beyond academics, Alejandro fostered leadership through various organizations, contributed community service around the Pharr area, and enhanced his professional skills through work experience. He currently serves as the two-year Parliamentarian for the National Honor Society. He is also a member and social media manager for the Go Team. Additionally, Alejandro successfully balanced his rigorous academic schedule while maintaining part-time employment at H-E-B.

Alejandro's passion for music and performance has been a defining aspect of his personal and artistic development. He is a four-year Varsity Band member and two-year percussion leader. Under his leadership, the percussion program earned some of the most significant achievements in school history, including Grand Champion Percussion awards and a state appearance. Alejandro earned over ten UIL medals through Jazz band, Concert and Sight Reading, and State Solo & Ensemble. Alejandro also marched snare drum for Synergy Indoor Percussion, a non-profit marching ensemble, where he competed against performers from across the nation. In addition to music, Alejandro is a member of the award-winning PSJA North Thespians. He received the Honorable Mention All-Star Cast award at UIL One-Act Play and earned Honorable Mention Lead Actor at the Palm Awards. Alejandro also competed in UIL Extemporaneous Speaking and One-Act, earning several medals.

Beyond his academic and extracurricular accolades, Alejandro dedicated a significant amount of his time to community involvement, resulting in over 400 volunteer hours. As a result, he earned recognition as Student of the Month for the Rotary Club of Pharr. He is also the proud recipient of several scholarships, including the Big Future Scholar, MasterBrand Scholar, North Alamo Scholar, Pharr Rotary Glen Robie Scholar, and HEB Scholar.

Above all, Alejandro is prepared to apply the knowledge gained through his experiences to strengthen his community. This fall, he plans to attend The University of Texas at Austin, where he intends to major in Computer Science. He aspires to pursue a career in software engineering and cybersecurity, developing technology that expands access and opportunities for communities such as the Rio Grande Valley. Alejandro hopes to inspire others from his community to pursue higher education, think ambitiously, and create meaningful change not just for themselves but for those around them.

PSJA NORTH EARLY COLLEGE HIGH SCHOOL **ALMA MATER**

Onward Raiders conquer all the land.
Remembering where it all began.

The memories that we share today
Inside our hearts will forever stay.

Defeat and fear go hand and hand.
But we will not give into them.

Honor and pride will go forth.
Long Live PSJA NORTH!
