5	New Business (30 minutes): Go Over Budget and SPSA Goals ● Review BSE Data ● Introduce Goals ● Approve SPSA Plan Blanche School (BSE) presented its end-of-year SPSA plan, highlighting student performances, a successful community snail race, and strategies aligned with district LCAP goals for 2024–2027. Key initiatives include strengthening student achievement through targeted PLC work, improving engagement via safety training and mental health support, and enhancing professional development, with a budget and school plan aimed at student success. JS: Why does the district look at low suspension rate when it can mean we aren't taking behavior seriously? NC: It has to do with missing out on the educational opportunities by not being in the classroom, etc. JS: What do we do for the students that aren't able to learn because of the behavior? NC: It goes back to using progressive discipline, but Ed	Input/Information	Principal

	Code bans us from suspending for defiance. Motion to approve the 2026-27 SPSA Goals by Kandice White Second by Julie Smith Unanimous approval		
8	Public Comment RAdR: It would be nice to get the agenda a bit earlier to thoroughly read the material. Noted that Darren will be moving on from Site Council because his daughter will be graduating from BSE. We will need to post for one position, and the hope is everyone will come back for next year.	Input	SSC Chair
9	Adjournment (1 minute): Motion to adjourn at 4:28 PM by Julie Smith Second by Kandice White Unanimous approval	None	Principal
