RE: Science Supplies Bid #2026-27-11

Background:

Bid specifications for Science Supplies are developed from requests solicited from each building. Bid packages containing a detailed listing of 91 items for bid were mailed to seventeen (17) potential vendors and bids were received from seven (7) vendors. In addition to identifying the lowest cost, the District must consider minimum order amounts, delivery charges, service, and past experience, when awarding bid contracts. If a vendor does not respond to our orders in a timely manner, needed supplies will have to be purchased outside of the contract, resulting in a higher cost to the District.

Bid Tabulation:

The table below summarizes the bid results. There were eleven (11) items that did not receive a bid.

Vendor	Total Bid Amount	Items Bid	Low Bidder
Bio Corp	\$414.50	10	3
Fisher Scientific Company, LLC	\$6,907.28	48	11
