

# Arts Access Program

ASI's Arts Access program aims to break the barriers of inaccessibility to the arts which are often money, transportation, and knowledge of events. We partner with local **theaters, galleries, and other arts and culture organizations to offer free or reduced-cost opportunities to Western New Yorkers.**

Eligibility is open to **anyone receiving income-based public assistance in WNY.** Passes are honored at our 50+ partner locations. Additionally, ASI offers free safe transportation to and from events upon request.

## Transportation

Arts Access is proud to provide free, safe, and accessible transportation. Transportation requests are to be book at least two weeks in advance on website.
