

Welcome to First Student

Supporting Safe, Reliable Transportation for The Davis Academy

Safer. Smarter. More Connected Student Transportation

We are proud to partner with The Davis Academy to provide safe, reliable transportation for your students. At First Student, we understand that nothing is more important than your child's safety. Every day, families trust us to transport their students with care, consistency, and professionalism. That responsibility drives everything we do.

Safety You Can Count On

Your child's safety is our top priority from the moment they step onto the bus to the moment they arrive at school and back home.

- Professionally trained and highly qualified drivers
- Rigorous vehicle maintenance and safety inspections
- Clear safety protocols followed on every route
- Real-time monitoring to support safe driving practices

Smarter Technology for Peace of Mind

We are bringing advanced technology to your student's transportation experience to keep you informed and connected.

Powered by HALO™

Our fully integrated technology platform connects vehicles, drivers, and communication tools to create a safer, more reliable experience for your child. HALO helps ensure everything works together seamlessly behind the scenes, so your student's ride stays on track.

First View Parent App

- Track your child's bus location in real time
- Receive alerts for arrival times and delays
- View route and stop information
- Know when your child's bus is approaching

On-Board Safety Cameras Powered by Samsara

- Monitors driving behavior and road conditions
- Helps ensure a safe environment on every ride
- Supports continuous driver coaching and improvement
- Provides added transparency for the school and families

Your Local Contact

If you have any questions, our local team is here to help:

Jason Reaves, Location Manager

Office: 404.691.1753

Cell: 229.573.8846

Email: jason.reaves@firststudentinc.com

We are honored to serve The Davis Academy community and look forward to providing a safe, reliable, and connected transportation experience for your students.
