Every Student, Every Day...The Hawk Way

GET CONNECTED ~ STAY CONNECTED
With Shawano School District

Feedback from our Community Listening sessions has shown that the Shawano School District Community is looking for opportunities to "Get Connected ~ Stay Connected" with the District. We are happy to share some ways for parents and community members to keep up with what's happening in the classroom, schools, and district:

- www.shawanoschools.com: From important dates, to district and school news, to links to valuable resources, the Shawano website is the place to go to stay informed. Be sure to regularly check out the website.

- Shawano School District on Facebook and Instagram: Follow us on Facebook or Instagram to receive information, pictures, and announcements from SSD. Find us at https://www.facebook.com/shawanoschools/ and https://www.instagram.com/shawanoschools/, respectively.

- *The Shawano School District Community Newsletter* is mailed to all district residents and open enrollment families three times a year to highlight the latest in student, school, and district accomplishments for the entire Shawano community.

- Emails: Each classroom teacher keeps parents up-to-date with happenings specific to their classroom's learning including information on field trips and special activities. Administrators also use email to directly communicate specific information with parents that is more timely or specific than what would generally be shared in other forms of communication.

- Skyward Student/Parent Portal: The Skyward (name of software) Portal is where students and parents see grades, assignments, receive some communication from teachers, and monitor lunch accounts. All regular and emergency parent contact information pulls from this database so please be sure to log-on to the parent portal and verify your email address(es) and any other personal information periodically throughout the year.

- Skylert Messenger text/email/phone calling system: In the event of critical breaking news that affects students/families such as weather delays or cancellations, a bus accident or delay, activation of the School Emergency and Crisis Response Plan, or other unforeseen circumstance that requires immediate notification, all families who have opted in will receive text and/or phone messaging. Please be sure your family's contact information is always current in Skyward as that is where data is pulled for these notifications. If you need more information about this, please contact the Welcome Center at 715-526-3194 ext. 8002 or ext. 3121

- *Wednesday Folder*: Our weekly email informing parents of all-school functions and important news for the week to come.

- Superintendent Chats: Join Superintendent Kurt Krizan, to discuss timely topics. These are open conversation sessions where you can provide feedback, ask questions, and we will have conversations. The chats will take place at the Shawano School District office. Please feel open to joining when it meets your schedule.
    - Tuesday, October 15, 2024 - 10:30-11:30 AM
    - Thursday, December 12, 2024 - 10:30-11:30 AM
    - Monday, February 17, 2025 - 10:30-11:20 AM
    - Tuesday, April 15, 2025 - 10:30-11:30 AM
