

Caley Elementary School Supply List for 2026-2027

Thank you in advance for your support in providing these school supplies for your child. This supply list represents the essential *common* supplies that students will need in each grade. Individual teachers may request additional items specific to their class in the fall. Once students have been assigned to a homeroom teacher, we encourage you to check the teacher's website for their supply list. On the first day of school, teachers will often collect many of the supplies and distribute them to students throughout the year.

During the course of the school year some items will need to be replenished and additional materials may be needed to accommodate special learning experiences. The homeroom teacher will share these supply needs with you throughout the school year. **Mark your calendar... The first day of school is Monday, August 31, 2026!** We could also use your help with tissues *and* hand sanitizer for our arts specialists (general music, library, art, PE/health, STEM, and guidance). If you are able to contribute above and beyond your school supplies please mark "Arts" on the item and we will make sure it gets to their classrooms as well. Thank you for your help!

* Denotes classroom supplies shared by all students.

Grades 1-4 have requested that students come with a **supply box** that is approximately 8.5" x 5.5" x 2.5" and has a lid that latches.

Please Note: We have found it to be helpful when backpacks, coats, and lunch boxes are labeled with the child's first and last name. Thank you in advance for your support!
