

Just Unleashing More Positivity- J.U.M.P Inc, is a non-profit youth organization established on August 14th, 2022. The program was created to bring the sport of Double Dutch back into the community, offering a positive outlet for youth and provide a healthy distraction from the negativity and violence in the city.

---

The organization's mission is to provide free, accessible activities that promote physical fitness, health, positive social connections, and to decrease electronic usage among youth. By focusing on areas like exercise, recreation, mentoring, and conflict resolution, J.U.M.P. aims to give young people experiences that will positively impact their future.

All J.U.M.P. sessions are free and held at the local Michigan City YMCA, ensuring the program is available to everyone in the community.
