June 2026

Thank you so much for supporting the GAP Program this year! We deeply value the trust you place in us to care for your children before and after school each day. Truly, it is your ongoing support that keeps this program running and thriving.

While this school year is wrapping up, we are already hard at work planning next year's adventures! This summer, Ms. Jennifer and I (Christina) will be attending a specialized STEM class. We can't wait to bring back fresh, exciting projects for our STEM Fridays next year!

Thank you all for a wonderful year. We hope you and your family have a safe, happy, and relaxing summer!

Saying Goodbye to Our 5th Graders

To our departing 5th graders: we are going to miss you so much, and we wish you the absolute best of luck as you head off to middle school!

A special shout-out to the 5th graders at Friday GAP—you always brought so much energy to my day, and I so appreciated your constant willingness to jump in and help out whenever it was needed. You will be greatly missed!
