A Letter from the Principal

Welcome, Bienvenidos, and Huanying NRH Families!

Our Mission at ILTexas is to prepare our students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering the English, Spanish and the Chinese languages, and strengthening the mind, body, and character.

Thank you for choosing the International Leadership of Texas North Richland Hills PK-8 campus for your child's education. I am honored and humbled to serve and lead our staff, students, parents, and community as the principal of this great school. This is my four year as principal at NRH and starting my 33rd year in education. I received my undergraduate degree from Southern Methodist University and my Educational Leadership Administration degree from the University of North Texas. I have served as a teacher, central office administrator, a PK-12 assistant principal, and a PK-12 campus principal. I absolutely LOVE being at NRH and working along-side talented, hard-working, passionate, committed, and caring teachers, staff, and parents.

I believe when parents and teachers partner together, your child will experience a greater confidence in their self, a deeper motivation to learn, and develop a growth mindset to overcome challenges. Most of all, I hope your child will begin to dream of their future and the opportunities that come with learning three languages.

I want to encourage you to volunteer throughout the year, join the PTO, Watch Dogs for Dads, and stay engaged with your child's teacher.

In closing, I am so excited for the 2026-2027 school year, and I look forward to partnering with you to make this school year memorable for all.

Kind Regards,

Mrs. Rachel Moon, M. Ed.

Principal

A Letter from the Assistant Principal

Dear ILTexas North Richland Hills Families,

I would like to welcome you to our NRH PK-8 family! I am excited for the opportunity in getting to know each one of you. I am the Assistant Principal for grades 3-5 this year. I have been an educator for 19 years and am certified in EC-4 Bilingual Education. I have taught grades PreK through 4th grade. I am a bilingual educator fluent in both English and Spanish.

I received my Bachelor's Degree from the University of Texas at Dallas with a major in Education. I am currently working on my Master's in Administration Leadership studies and policies at the University of Texas at Arlington.

Prior to being an educator, I was working in the medical field as a Certified Nursing Assistant. I spent 9 years working in a hospital and nursing home. I started my education as a major in Biology/pre-med with a minor in communications. My dream was to become a pediatrician, but I was destined to become an educator.

My teaching philosophy is, "Every Student, Everyday, Whatever it Takes!" I believe that every student has the potential to learn, grow, to achieve anything they put their heart and mind to. BB. King said it best, "The beautiful thing about learning is that no one can take it away from you". My goal is to ensure every student is safe as they learn, have academic success and are having fun and happy while they learn!

I am here to serve. If you should ever need assistance please email me at wmarx@iltexas.org or call me at 817-576-9031.

Respectfully,
Ms. Marx
3-5 Assistant Principal

A Letter from the 4th grade GLA

Dear 4th Grade Families,

Welcome to the 2026–2027 school year! My name is Ms. Gilliam, and I am honored to serve as the 4th Grade Grade Level Administrator. I am beyond excited to partner with you and your child as we begin what will be an exciting, challenging, and rewarding year.

Fourth grade is a year of tremendous growth—academically, socially, and emotionally. Students will be encouraged to think critically, become more independent learners, strengthen their reading and writing skills, and deepen their understanding in math, science, and social studies. Our goal is to not only prepare students for academic success but to help them grow into confident, responsible leaders.

As a grade level team, we are committed to:

- Maintaining high academic expectations
- Creating a safe and respectful learning environment
- Encouraging strong character and leadership
- Building meaningful partnerships with families

Communication will be very important this year. We encourage you to stay connected through school emails, newsletters, and teacher updates. If you ever have questions or concerns, please do not hesitate to reach out. We are here to support you and your child every step of the way.

Attendance, proper uniforms, completed homework, and positive behavior will all play a key role in student success. We appreciate your partnership in reinforcing these expectations at home.

We are looking forward to an amazing year filled with growth, achievement, and memorable experiences. Thank you for trusting us with your child's education. Let's make the 2026–2027 school year our best year yet!

Sincerely,

Shelby Gilliam

RLA Teacher/ GLA
