A Letter from the Principal

Welcome, Bienvenidos, and Huanying NRH Families!

Our Mission at ILTexas is to prepare our students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering the English, Spanish and the Chinese languages, and strengthening the mind, body, and character.

Thank you for choosing the International Leadership of Texas North Richland Hills PK-8 campus for your child's education. I am honored and humbled to serve and lead our staff, students, parents, and community as the principal of this great school. This is my four year as principal at NRH and starting my 33rd year in education. I received my undergraduate degree from Southern Methodist University and my Educational Leadership Administration degree from the University of North Texas. I have served as a teacher, central office administrator, a PK-12 assistant principal, and a PK-12 campus principal. I absolutely LOVE being at NRH and working along-side talented, hard-working, passionate, committed, and caring teachers, staff, and parents.

I believe when parents and teachers partner together, your child will experience a greater confidence in their self, a deeper motivation to learn, and develop a growth mindset to overcome challenges. Most of all, I hope your child will begin to dream of their future and the opportunities that come with learning three languages.

I want to encourage you to volunteer throughout the year, join the PTO, Watch Dogs for Dads, and stay engaged with your child's teacher.

In closing, I am so excited for the 2026-2027 school year, and I look forward to partnering with you to make this school year memorable for all.

Kind Regards,

Mrs. Rachel Moon, M. Ed.

A Letter from the Assistant Principal

Greetings, Bendiciones, Huānyíng North Richland Hills Families!

Welcome to the best school days you are going to have this year.

I am delighted to serve as your Middle School Assistant Principal and life champion here at NRH for the 2026 - 2027 school year.

My last 11 years have been dedicated to becoming a transparent leader who focuses on building relationships, using data to drive instruction, improving low-functioning processes, growing community partnerships, integrating technology into the learning cycle, and enhancing scholars through sound metacognitive practices. Can you tell I was a reading/language arts teacher before I became an administrator?

This year, I look forward to the experiences we will craft together that will position us for greatness. As we demonstrate what it means to be on time, to be responsible, and to be respectful, I am excited to learn new ways, with you, to exemplify our motto 'Others Before Self' and be unapologetic about caring for each and every person on our campus.

I have no doubt that as we walk in distinction we will do so through exceptional servant leadership in the community, mastery of the English, Spanish, and Chinese languages, and strengthening of the mind, body, and character.

We are in this pursuit of excellence together, and I believe in the extraordinary things we will accomplish. Remember, when you need assistance this year, feel free to reach out to me by email at cmoffitt@iltexas.org or by phone at 817.576.9031.

Cheers,
Candace Moffitt
Principal as Instructional Leader, 6-8 AP

Our campus follows a no-cell-phone policy in accordance with state law. If a phone is confiscated, there will be a \$25 fee, and a parent/guardian must pick it up from the front office.

Community Service Expectations

All 7th graders will participate in our Other's Before Self Project and complete 10 hours of community service during the school year. This is a wonderful opportunity for our scholars to give back and grow as leaders.
