A Letter from the Principal

Welcome, Bienvenidos, and Huanying NRH Families!

Our Mission at ILTexas is to prepare our students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering the English, Spanish and the Chinese languages, and strengthening the mind, body, and character.

Thank you for choosing the International Leadership of Texas North Richland Hills PK-8 campus for your child's education. I am honored and humbled to serve and lead our staff, students, parents, and community as the principal of this great school. This is my four year as principal at NRH and starting my 33rd year in education. I received my undergraduate degree from Southern Methodist University and my Educational Leadership Administration degree from the University of North Texas. I have served as a teacher, central office administrator, a PK-12 assistant principal, and a PK-12 campus principal. I absolutely LOVE being at NRH and working along-side talented, hard-working, passionate, committed, and caring teachers, staff, and parents.

I believe when parents and teachers partner together, your child will experience a greater confidence in their self, a deeper motivation to learn, and develop a growth mindset to overcome challenges. Most of all, I hope your child will begin to dream of their future and the opportunities that come with learning three languages.

I want to encourage you to volunteer throughout the year, join the PTO, Watch Dogs for Dads, and stay engaged with your child's teacher.

In closing, I am so excited for the 2026-2027 school year, and I look forward to partnering with you to make this school year memorable for all.

Kind Regards,

Mrs. Rachel Moon, M. Ed.

A Letter from the Assistant Principal

Dear Parents,

It is with great enthusiasm and pride that I introduce myself as the new PK-2 Assistant Principal of International Leadership of Texas in NRH. I am honored to join such a dedicated and dynamic community and look forward to working alongside each of you to ensure the continued success and growth of our students.

With 23 years of experience in education, I have had the privilege of working with diverse student populations and exceptional educators. My background includes teaching English Lab for Spanish speakers in grades 1st-6th for three years and serving as a reading teacher for 4th-6th grades for three years and 7th-8th grades for one year. I also held the position of English Coordinator at a private school in Puerto Rico. After moving to Texas, I worked in FWISD, teaching kindergarten for five years and serving as a 6th grade reading interventionist for two years.

I joined the ILTexas family in 2016 as a 1st grade Spanish Dual Language Teacher, where I worked for three years. I was then offered the role of Grade Level Administrator for kindergarten; a position I held for seven years. I studied education in Puerto Rico and completed my master's degree in Texas. These experiences have shaped my educational philosophy and reinforced my belief in the power of collaboration, innovation, and a student-centered approach to learning.

As we begin this new chapter together, my primary goal is to support our students in achieving their full potential while fostering a safe, inclusive, and nurturing environment. I am committed to working closely with parents, teachers, and staff to create a community where every student feels valued and inspired to excel.

Communication and partnership are essential to our success. I am eager to hear your thoughts, ideas, and concerns, and to collaborate on initiatives that will benefit our school community. Please feel free to reach out to me at any time via email or phone, or to schedule a meeting in person.

Thank you for the warm welcome I have already received from many of you. I am excited about the opportunities that lie ahead and confident that, together, we will achieve great things for our students.

Best regards,
Marisol Connor Hoyos
