A Letter from the Principal

Welcome, Bienvenidos, and Huanying NRH Families!

Our Mission at ILTexas is to prepare our students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering the English, Spanish and the Chinese languages, and strengthening the mind, body, and character.

Thank you for choosing the International Leadership of Texas North Richland Hills PK-8 campus for your child's education. I am honored and humbled to serve and lead our staff, students, parents, and community as the principal of this great school. This is my four year as principal at NRH and starting my 33rd year in education. I received my undergraduate degree from Southern Methodist University and my Educational Leadership Administration degree from the University of North Texas. I have served as a teacher, central office administrator, a PK-12 assistant principal, and a PK-12 campus principal. I absolutely LOVE being at NRH and working along-side talented, hard-working, passionate, committed, and caring teachers, staff, and parents.

I believe when parents and teachers partner together, your child will experience a greater confidence in their self, a deeper motivation to learn, and develop a growth mindset to overcome challenges. Most of all, I hope your child will begin to dream of their future and the opportunities that come with learning three languages.

I want to encourage you to volunteer throughout the year, join the PTO, Watch Dogs for Dads, and stay engaged with your child's teacher.

In closing, I am so excited for the 2026-2027 school year, and I look forward to partnering with you to make this school year memorable for all.

Kind Regards,

Mrs. Rachel Moon, M. Ed.

Principal

A Letter from the Assistant Principal

Dear ILTexas North Richland Hills Families,

I would like to welcome you to our NRH PK-8 family! I am excited for the opportunity in getting to know each one of you. I am the Assistant Principal for grades 3-5 this year. I have been an educator for 19 years and am certified in EC-4 Bilingual Education. I have taught grades PreK through 4th grade. I am a bilingual educator fluent in both English and Spanish.

I received my Bachelor's Degree from the University of Texas at Dallas with a major in Education. I am currently working on my Master's in Administration Leadership studies and policies at the University of Texas at Arlington.

Prior to being an educator, I was working in the medical field as a Certified Nursing Assistant. I spent 9 years working in a hospital and nursing home. I started my education as a major in Biology/pre-med with a minor in communications. My dream was to become a pediatrician, but I was destined to become an educator.

My teaching philosophy is, "Every Student, Everyday, Whatever it Takes!" I believe that every student has the potential to learn, grow, to achieve anything they put their heart and mind to. BB. King said it best, "The beautiful thing about learning is that no one can take it away from you". My goal is to ensure every student is safe as they learn, have academic success and are having fun and happy while they learn!

I am here to serve. If you should ever need assistance please email me at wmarx@iltexas.org or call me at 817-576-9031.

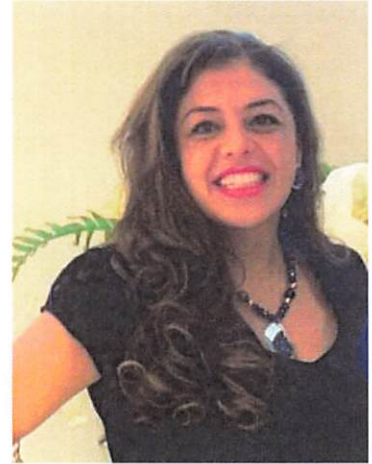

Respectfully,
Ms. Marx
3-5 Assistant Principal

A Letter from the 3rd grade GLA

Dear 3rd Grade Families,

Welcome to an exciting new school year! On behalf of our entire staff, I am delighted to welcome you and your child to the 2026–2027 school year. Third grade is a very important year filled with growth, independence, and new academic challenges, and we are excited to partner with you every step of the way.

Our dedicated teachers are committed to providing a safe, supportive, and engaging learning environment where all students can thrive. Throughout the year, students will strengthen their skills in reading, writing, and mathematics, while also developing critical thinking and problem-solving abilities that will support their future success.

We believe that strong communication between home and school is essential. We encourage you to stay connected through school communications, attend events, and reach out whenever you have questions or concerns. Together, we can ensure a positive and successful experience for every student.

Please make sure your child comes to school each day prepared to learn, with all necessary materials, and ready to do their best. We also encourage you to establish routines at home that support learning, including regular reading and completing assignments.

We are truly excited about the year ahead and look forward to seeing all that your child will accomplish. Thank you for your continued support and partnership. If you have any questions, please do not hesitate to contact us.

Warm regards,

Diana Salazar

3rd Grade Level Administrator
