Treasurer's Report – Karen F.

Review of the April financial report

- Income
 - Get Egged finished up and has been successful in raising funds for Post Prom, however there are issues with the fundraiser as well, considering alternatives or modifications
 - Additional fundraisers are Senior Signs, BBQ
- May look into obtaining a PTO credit card
- Budget planning meeting May 7th @ 6pm in the OPHS library. All are welcome to attend.

High School Success Roadmap presentation by Stacy Rominger – [Link](#)

- Stacy has been a Biology teacher for 33 yrs and worked with STAP-COMM and student government, also offered a girls leadership course through community education.
- Has created the High School Success Roadmap for 8-12 students and families, presented in 8 online modules focusing on developing skills for life. There is a parent/guardian component. Seems to be a need. The high school no longer has Freshman Boost. There are free downloadable tip sheets.
- Stacy will be reaching out to the Family Solutions Center and speaking at New Student Orientation.
- Any feedback on this program is appreciated and welcomed by Stacy

Member suggestions to investigate grants to cover cost for families that cannot afford the roadmap and to give community education presentations that Ann Linder schedules to advertise.

Principal's Report – N/A

Teacher's Report – N/A

Committee Reports

Instructional Leadership (ILC) - No update provided

STAP-Comm – Kelly K., Karen F., Jen D.

- June 1 Chipotle fundraiser and Senior walk discussed

Building Effectiveness Team (BET) - Barb L.

- Attendance - the main focus was on improvement. A significant amount of our students are chronically absent, and ways to boost their in-school days were outlined, including consequences such as not attending field trips, not participating in the musical, and having Senior privileges revoked.
- 2026-2027 master schedule - a new type of school day will be adopted which includes not having an official homeroom. Homeroom will be at the end of an extended first period.
- Digital passes- it's a work in progress but so far, it's been working where implemented and will hopefully allow for less classroom and hallway disruption.

Central Council PTO – Jen D. - Meeting Friday

Post Prom – Jen D.

- Ticket sales are open for the Post Prom Party; tickets are \$10, purchase ahead of event. Sign up for volunteers and donations will be out soon. The night includes food and prizes for seniors with the grand prize of \$2026 also a haunted castle, inflatables, and animals, with lots to do and win throughout the night.

Budget Presentation

- There was a viewing of the [Budget Presentation](#) given by Superintendent Lilleck. Vote is taking place on May 19th 7am-9pm at the high school Freeman side. Vote includes school board members and replacement buses.

Member suggestion to have Lilleck present in person and provide more detail. Suggestion to have a special meeting with all district PTOs regarding the budget.

Old Business

- Tri-M Music Honor Society reception was successful and had about 125 guests- Thank you to Autumn Houseknect and Susan Patronik. Setup at 6pm, co-chairs took turns at the table allowing flexibility to see own kids at the ceremony. Co-chairs were very appreciative of the PTO board's instructional session for reception chairs. It made the reception easy to do.
- Senior Sign Sale is going on now until May 8th. \$21 per sign and benefits Post Prom.

New Business

- BBQ and Krispy Kreme donut sale to benefit Post Prom will be on May 19th. The presale is open.
- NHS Awards Reception and Underclass Awards Reception will be in May. Look for signups to donate food items.
- Senior picnic signup for volunteers out soon

Next PTO Meeting Monday, May 18th at 6pm, Post Prom Meeting Monday, May 18th at 7pm

Meeting adjourned at 7:20pm
