

26-27 Woodland Springs Elementary School Supply List

The following standardized supply list is for Woodland Springs Elementary School in the Keller ISD. The supplies listed have been determined necessary materials for each student to have to be prepared for school each day. This list includes the basic individual student supplies, but teachers may request donations of additional classroom supplies to support their classroom needs. Classroom supplies will be utilized by all students and do not belong to individual students. Any support from parents in providing these additional classroom supplies is greatly appreciated but not required.
