Mrs. Lowrance reported the coachliner went to Odessa to have an electrical issue addressed and new tires were installed on the new mini-bus. Maintenance is working on lights in the auditorium and getting ready for the JH tennis tournament. We have had several HS students advance past district in golf, tennis and track. We are working on goodie bags to send them off to compete. The expansion modification application for TIA was completed and submitted today. Midland College called last week asking for me to represent our district's plan for dual credit achievement and how we worked hand in hand with Midland College to make a plan that works four small, rural school districts. I will present at the National Conference in October in Cleveland, Ohio. The parking lot project is ongoing. We need to analyze our 26-27 school calendar and how we will address Friday lunch the first semester. I am currently working on the Safety Data Collection, Building Inventory List Survey and Seatbelt survey for the district.
