Dallas County School System School-Parent Compact

Each School:

1. Shall provide assistance to parents of children served by the LEA or school, as appropriate, in understanding such topics as the challenging State academic standards, State and local academic assessments, the requirement of this part, and how to monitor a child's progress and work with educators to improve the achievement of their children;
2. Shall provide materials and training to help parents to work with their children to improve their children's achievement, such as literacy training and using technology (including education about the harms of copyright piracy), as appropriate, to foster parental involvement;
3. Shall educate teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school;
4. Shall, to the extent feasible and appropriate, coordinate and integrate parent involvement programs and activities with other Federal, State, and local programs, including public preschool programs, and conduct other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children;
5. Shall ensure that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, to the extent practicable, in a language the parents can understand;
6. Shall provide such other reasonable support for parental involvement activities under Title I, Part A as parents may request.

We, as parents, will support our children's learning in the following ways:

Be responsible for my child's attendance and punctuality to school; Supply my child with appropriate school supplies; Monitor my child's progress at school and with homework assignments; Encourage my child and stay actively involved in school; Hold high expectations for my child as an individual and support school policies; Attend Annual Title I meetings, parent meetings, and parent-teacher conferences

We, as students, will share the responsibility to improve our academic achievement and achieve the State's high standards. Specifically, we will:

Attend school and be punctual to both school and class; Respect and cooperate with other students and adults; Perform to the best of my abilities at school while using my extracurricular time positively; Complete all class assignments including homework and ask for assistance when I need it; Bring appropriate supplies to school; and Adhere to school conduct rules and policies.
