

Willamette Valley Experienced/Novice Educator Pairing Program

New to teaching and looking for support?

Our Experienced/Novice Educator Pairings program connects new educators with trained mentor teachers who provide guidance, encouragement, and instructional support. If you are in your first four years of teaching or working under an emergency license, this program is for you.

What You'll Receive

- Flexible mentor meetings, either virtual or in person, scheduled outside contract hours
- Three stipends during the year (December, March, and June)
- Opportunities to observe experienced educators in the classroom
- An in-person kick-off meeting with your mentor, including an additional attendance stipend
- Access to professional learning opportunities through the WVREN

Build confidence, grow your skills, and succeed in your teaching career with the support of a dedicated mentor. Sign up today!
