

Dear New Families,

Welcome to Maclay Middle School! We are excited to partner with you as your student prepares for the upcoming school year.

As part of the enrollment and transition process, families will need to complete course selections for their student. This process helps us learn more about your child's academic interests, elective preferences, and world language choices so we can build a schedule that supports a smooth and successful start to Middle School. I understand that course selection can bring questions, especially for families who are new to Maclay. Please know that I am available to help walk you through the selection process and answer any questions you may have. I am happy to connect by phone or meet with you in person.

You may reach me directly at **850-893-4981 ext. 264**, or you may use the following link to schedule a time with me:

<https://calendly.com/melacynturner/30min>

We look forward to welcoming your student into our Middle School community and helping them begin the year with confidence.

Warmly,
Dr. Melacyn Turner
Middle School Dean
