
Welcome Back to School

Fifth Grade

South/West Park Elementary

Dear Families,

Welcome to the 2026 – 2027 school year. I hope you enjoy your summer. It is extremely important that your child reads and practices their addition, subtraction, multiplication, division facts to be successful in ELA and Math.

A copy of the supply list can be found on the back of this welcome letter. We appreciate your generosity in purchasing school supplies to support your child's education.

We hope to meet you on Back to School Night to learn about the school year, academic goals, and expectations.

Dear Student,

We are very excited to have you as a fifth-grade student. With your effort and enthusiasm, we will have a successful school year. If you would like to start preparing for fifth grade, memorize the addition, subtraction, multiplication, and division facts from 1 to 12. This will help you succeed in multiplying and dividing whole numbers, decimals, fractions, as well as in understanding volume in math. In addition, read books from different genres daily.

We are looking forward to an exciting school year!

Sincerely,
5th Grade Teachers

P.S. Don't forget to have your purple swag ready for spirit Fridays. Go roadrunners!
