## 2025-2026

Dear Class of 2026,

Today marks more than a milestone. It is a defining moment in your story. On behalf of the faculty and staff of RMA Public Schools, I am honored to celebrate you and extend my deepest congratulations.

Each of you arrived with a different journey, a different set of challenges, and a different vision for your future. Yet you stand here together, having made a powerful decision to keep going. You chose growth. You chose resilience. You chose to finish what you started. That is the mark of an RMA graduate.

As you step into what comes next, carry that same determination with you. Whether your path leads to college, a career, or a new direction still unfolding, trust your ability to adapt, to rise, and to lead your own life with purpose. You have already proven that you can overcome obstacles and create opportunities where others may not have seen them.

Take time to honor the moments that brought you here. The relationships you built, the lessons you learned, and the strength you discovered within yourself are not behind you. They are part of you. They will continue to guide your decisions and shape your future.

Hold tightly to the values that carried you to this day. Stay grounded in integrity, lead with perseverance, and pursue excellence in all that you do. You represent something powerful, and you carry that forward with every step you take.

Remember that your connection to RMA does not end today. You are part of a community that believes in you, supports you, and will always celebrate your success. We will be watching, proud of who you are and even more proud of who you are becoming.

Walk forward with confidence. Be bold in your choices. Stay committed to your vision. The future is not something you wait for. It is something you build.

With pride and unwavering belief in you,

## MESSAGE FROM THE PRINCIPAL:

You made it! We are grateful to all who supported and nurtured you throughout this journey. Your parents, teachers, and other loved ones have encouraged you and assisted you with actualizing your goals. It is time to look to the future and transition to a new chapter in your life. No matter what obstacles you may encounter, I'm confident that we, Richard Milburn Academy, have prepared you to persevere through any hardships you may face.

You are now the author of your life's journey. Go into this world and explore the opportunities of your interest. Remember that your actions will determine the possibilities and the path that lies ahead. Through your actions and interactions, you have the ability to create positive changes in the unwritten chapters that are yet to come.

We appreciate you, our students, for enriching the lives of the RMA staff. We all feel a deep sense of gratitude and fulfillment because of you. We stand firm in our mission of producing, productive, people. Remember the BEST is yet to come.

. Congratulations! Today is your day.  
You're off to Great Places!  
You're off and away!  
You have brains in your head. You have

You can steer yourself  
in any direction you choose.  
You're on your own.  
And you know what you know.  
You are the guy who'll decide where to go
