The teacher will be advised when documentation is required.

(2.) ESST: When permissible by law, the School District may require a teacher to furnish documentation indicating any absence in excess of three (3) consecutive days was due to a qualifying event pursuant to Subdivision 3 (2.) of this Section, in order to receive ESST pay. Sick leave accrued and retained pursuant to Subd. 1. shall not be deemed to be paid leave provided in addition to ESST.

Subd. 8. Separation. A teacher shall not be paid for unused accumulated ESST upon termination, resignation, retirement, or other separation from employment. If a teacher is rehired within 180 days of separation from employment, only ESST accrued after January 1, 2024, and unused at the time of said separation shall be reinstated upon rehire.

Subd. A. Terms: The School Board may place on ULA such teacher as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes. Such leave of absence shall continue for a period of three (3) years, after that the right to reinstatement shall terminate; provided the teacher’s right to reinstatement shall also terminate if the teacher fails to file with the School District Superintendent, by April 1st of

each year, a written statement requesting reinstatement. Such leave shall be effective no later than the close of the school year or at such earlier time as mutually agreed upon by the teacher and the School Board with teacher consultation of EEA.

Subd. B. Notice: Teachers placed on such leave shall receive notice by June 30th of the school year prior to the commencement of such leave with reasons for said placement.

Subd. C. Placement: Teacher shall be placed on ULA in inverse order of seniority in field and subject matter employed with the following exception: No teacher shall be placed on ULA if any other qualified teacher employed in the same field and subject matter is on a “Teacher Improvement Plan” as provided for in the “Teacher Evaluation and Peer Review Process” required in M.S. 122A40, Subd. 8. A graduate degree of master’s or higher will not provide protections from ULA if the degree is not in the subject matter that the teacher is employed. Also, teachers that may have been provided training paid for by the School District specifically to attain a degree or particular license or Teacher on Special Assignment (TOSA) positions created by the district may have protection at the School District’s discretion.

Subd. D. Affirmative Action Program: This section shall not apply if its application will result in any violation of the School District’s affirmative action program which shall include ethnicity, race, color, or sex; and any teacher employed in an affirmative action program may be retained in the same field or subject matter of a teacher with greater seniority if such retention is necessary to effectuate the purposes of such affirmative action program.

Subd. E. Tie-Breaker: In the event a reduction in number of teachers creates a situation requiring that a choice be made among teachers who have equal seniority, the selection of the teacher(s) for purpose of reductions shall be at the discretion of the School District based on criteria including performance, training, experience, skills in special assignments, special or advanced certifications obtained in the teacher’s field and subject matter employed, total credits beyond a bachelor’s degree, total graduate credits beyond a bachelor’s degree, and other relevant factors.

Subd. F. Years of Service: Any teacher placed on such leave may engage in teaching or any other occupations during such period and may be eligible for re-employment insurance if otherwise eligible for such compensations under that law, and such leave will not result in a loss of credit for years of service in the School District earned prior to the commencement of such leave.

Section 4. Realignment: For purposes of placement on ULA or reinstatement from ULA, nothing in this article shall require the School District to reassign a senior teacher to a different position that the teacher is not qualified, as defined in Section 2. above, to accommodate the seniority claims of a junior teacher.

Section 5. Dropping of License: A teacher shall not be permitted to exercise seniority to displace another teacher in a different licensure area by dropping the license in the subject matter in which the teacher is currently assigned by the School District in order to acquire a different assignment through the ULA process. If a teacher drops the license that qualified the teacher for

the teacher's current assignment, the School District may place the teacher on ULA, and the teacher shall have no bumping rights nor realignment rights in another licensure area.

Section 6. Reinstatement:

Subd. A. Process: No new teacher shall be employed by the School District while any qualified teacher is on ULA in the same field and subject matter. Teachers placed on ULA shall be reinstated to the positions from which they have been placed on ULA or any other available positions in the School District in the fields in which they are qualified as such positions become available. The order of reinstatement shall be in inverse order in which teachers were placed on ULA.

Subd. B. Notices: When placed on ULA, a teacher must file his/her name and address, to which any notice of reinstatement or availability of position shall be mailed, with the School District personnel office. Proof of service by the person in the School District depositing such notice to the teacher at the last known address shall be sufficient. The teacher on ULA shall be responsible to provide an address for forwarding of mail or for address changes. Failure of a notice to reach a teacher shall not be the responsibility of the School District if any notice has been mailed as provided in this article.

Subd. C. Acceptance of Re-employment: If a position becomes available for a qualified teacher on ULA, the School District shall mail and email the notice to such teacher, who shall have ten (10) days from the date of such notice to accept the re-employment. Failure to accept, in writing, within such ten (10)-day period shall constitute a waiver on the part of the teacher to any further rights of employment or reinstatement, and that teacher shall forfeit any future reinstatement or employment rights.

NOTE: Any reference to the word "days" regarding time periods in this plan shall refer to working days. The term "working day" is defined as all weekdays not designated as holidays by state law.

Subd. D. Reinstatement Rights: Reinstatement rights shall automatically cease three (3) years from the date ULA was commenced, and no further rights to reinstatement shall exist unless extended by written mutual consent of the School Board and the qualified teacher.

Section 7. Establishment of Seniority List:

Subd. A. Preparation: The School Board shall annually cause a seniority list (by name, date of employment, qualification, and subject matter or field) to be prepared from its records. The School Board shall thereupon cause such list to be posted in an official place in each school building of the School District. The School District shall notify the President of the Edgerton Education Assoc of the posting.

Subd. B. Request for Change: Any teacher whose name appears on such list and who may disagree with the order of seniority in said list shall have ten (10) days from the date of posting to supply written documentation, proof, and request for seniority change to the Superintendent.

Subd. C. Final List: Within ten (10) days thereafter, the School District shall evaluate any and all such written communications regarding the order of seniority contained in said list and may make such changes the School District deems warranted. A final seniority list shall

thereupon be prepared by the School District, which list, as revised, shall be binding on the School District and any teacher.

Section 8. Filing of Licenses: In any year that a reduction of teaching positions is occurring, and the School Board is placing teachers on ULA, only those licenses actually received in the Superintendent's office for filing as of January 15th of such year shall be considered for purposes of determining ULA within areas of licensure for the following school year. A license filed after January 15th shall be considered for purposes of reinstatement but not for the current reduction.

Section 9. Effect: This article shall be effective at the beginning date of this Master Agreement and shall be governed by its duration clause. This article shall govern all teachers, as defined in Section 2., Subd. 1. above and shall not be construed to limit the rights of any other licensed employee not covered by the Master Agreement or other Master Agreement affecting such licensed employee.

Section 10. Procedure: Any challenge by a teacher who is proposed for placement on ULA or reinstatement therefrom shall be subject to the hearing and review procedures, as provided in M.S. 122A.40, Subd. 14., and, therefore, shall not be subject to the grievance procedure.
