12th Grade Health Requirements for School Entry 2026-2027

Per Board of Education Policy 7:100, all students must meet the health requirements as outlined by the Illinois Department of Public Health. All requirements must be in place before school entry. For health and safety reasons, students who are non-compliant will be excluded from school on or before October 15th of the current school year, no appointment cards will be accepted. New students who register after October 15th of the current school year shall have 30 days following registration to comply with the health examination and immunization regulations.

Students entering grade 12 in the State of Illinois must be immunized for Meningitis. The immunization requirement consists of two doses of the meningococcal vaccine, with the second dose administered on or after the student's 16th birthday and at least 8 weeks after the first dose. The second dose is not necessary if the first dose was administered on or after the student's 16th birthday.
