Bid No. 2026-01: Riverdale Grade School Offsite Improvements

- 1. Mandatory Pre-Bid Conference Attendees Report**
- 2. Mandatory Pre-Bid Power Point Presentation (pdf.)**

- 3. Responses to non-mandatory Pre-bid Walk Questions**

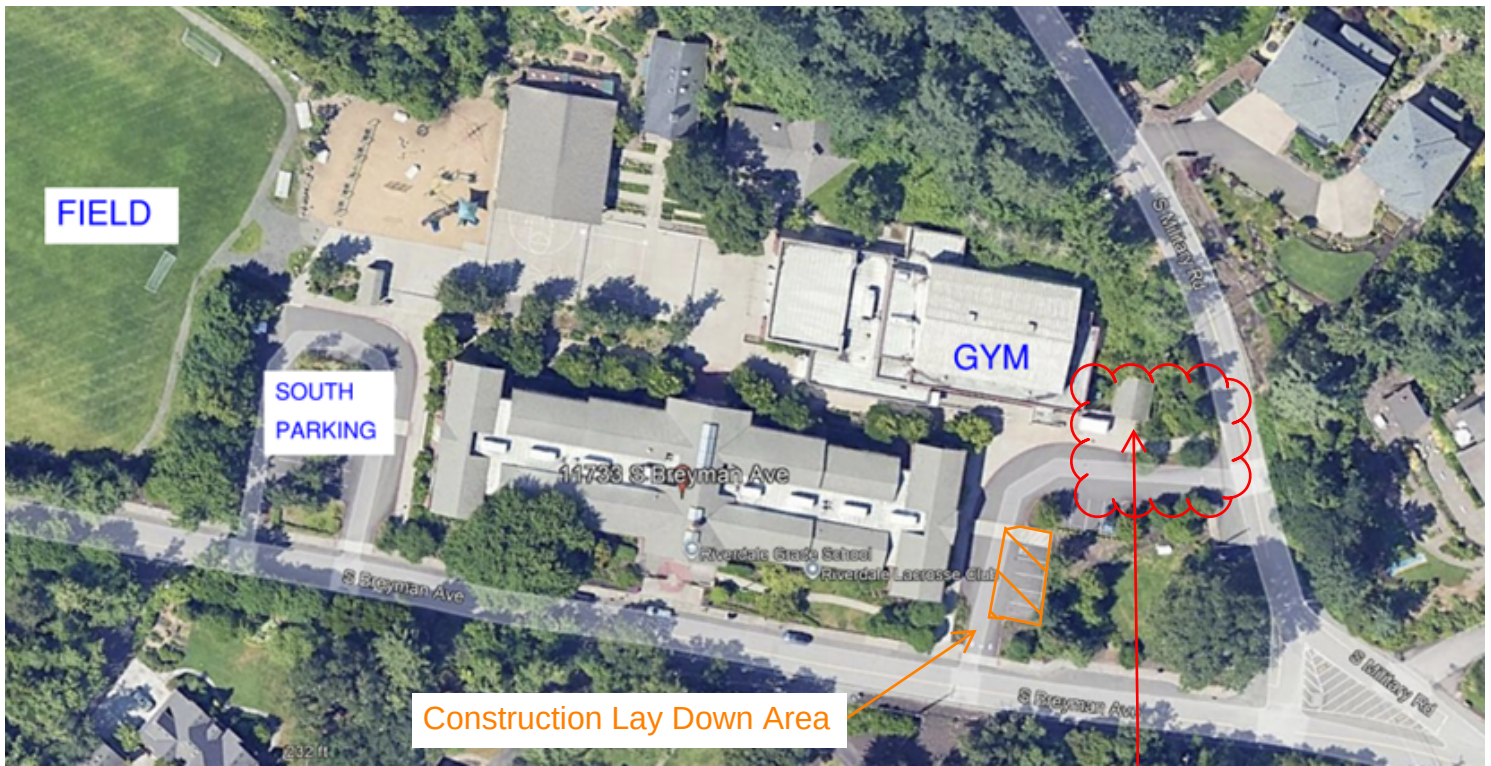

Q1: What school activities are occurring and when during the summer? How many are expected for these activities?

A1: Please see mark up and key dates with overall school map. The South Parking lot and Field will be in use and should remain accessible to approximately 7 staff members for Summer School 7/6-7/31 as well as access for the fields. No contractor parking will be allowed.

Q2: Is there a location for the Contractor can park vehicles and lay down construction items/equipment?

A2: Yes, See attached map. It is the Contractors responsibility to maintain the asphalt parking areas, clear of trash and debris. Contractors are liable for any damage to adjacent areas, including landscaping. All damage will be the Contractors responsibility to restore/replace in a timely fashion that meets Riverdale School District approval. This area is a part of school property where the contractor must always adhere to school regulations. All fire lane regulations must also be kept clear.
