

Each year, schools select their most outstanding Volusia Partners to become their Business Partner of the Year. You can view the list under “Award>Volusia Partners of the Year. A district selection committee chose an exemplary partner to receive the Commissioner’s Business Recognition Award (commonly known as CBRA).

For the past 35 years, CBRA has celebrated the commitment, creativity, and innovation of partnerships between Florida businesses and organizations and public schools.

2026 CBRA Recipient

ANDERSON PERFORMANCE HEAT & AIR

WAS NOMINATED BY READ-PATTILLO ELEMENTARY SCHOOL

Anderson Performance Heat & air was nominated by [Read-Pattillo Elementary](#). They support the school through sponsorships, volunteerism, and generous donations. For more than a decade, Anderson Performance Heat & Air has demonstrated unwavering commitment to our students, staff, and community, serving as a true partner in the school mission to support student success. This partnership has had a measurable and meaningful impact on student incentives and schoolwide literacy celebrations, students have been motivated to set goals, increase reading engagement, and take pride in their academic growth. These incentives, combined with strong instructional practices and community partnerships, have contributed to the school improving to an “A” school grade. Anderson Performance Heat & Air investment in the students has helped foster a culture where academic success is celebrated and expected. Anderson Performance Heat & Air exemplifies what it means to be a dedicated community partner
