|      |                       |          |            |

**General Announcement**

**AP Gov:** If you will be taking AP Government next year please stop by C10 to get a physical copy of the summer work assignment. You should refer to my teacher website for additional resources. Let me know if you have any questions. **Mrs. Janiskee**

**Blackhawks:** If you are planning to take any AP or honors classes that have summer work requiring a novel or textbook, please try to check out those materials the last week of school. The library and textbook room will be open over summer, but there may be days and times when they are closed, including June 8 and 9. It is advised that if you are coming in over the summer, that you call ahead first to make sure they are open.

Looking for a different kind of class for next year? Thinking you'd never be successful in an AP class? Wishing you could learn something completely new? AP African American Studies is what you're looking for! It has a nationwide 79% pass rate for the AP test, if you pass, you can get college credits for this class. The current year students said even the test was fun and rave about the new information and experiences they've had in the class. Most people will find something completely new in this class that mixes history, culture, music, art, and hands-on projects, with flexible work due dates and a laid back atmosphere. Sign up with your counselor or see Ms. Marquis in C29 before school ends or we may lose the class forever!

**Course Requests:** Before you go on summer break, please check your 2026-2027 TENTATIVE Course Requests in Aeries to make sure you're signed up for the right classes. Log into your Aeries Student Portal. Click on CLASSES, then click on COURSE REQUESTS. Please VISIT your counselor before school, during lunch, or after school before summer break if you believe your schedule contains an error. **Counselors**

**Library:** Reminder; the library is now closed for the remainder of the year. The team will be in the textbook room to assist students with textbook, library, and Chromebook returns.

**Yearbook:** If you missed the yearbook distribution, you will now have to pick up at the finance office, before school, during lunch and after school only. Have your ID ready when picking up. Reminder; yearbooks are now sold out! Hope you enjoy the book! **Perez**

**Work Permits:** If you need a work permit, please see Counselor Mrs. Hill. She will be taking care of them for the rest of the semester.
