

School Year 2024-2025

School Highlight: ASA Charter School continues to implement and utilize a number of intervention programs and strategies to accelerate and mitigate learning for all students. ASA continues to grow along with the needs of our students! This year we have continued our reading program (The Really Great Reading Program or RGR) which was implemented over the past two and a half years and have seen substantial growth from the addition of the IXL Math and IXL ELA intervention programs introduced over last two years.

Finance Snapshot

Fiscal Services accepted ASA's Second Interim Report; however, but did not concur with the school's "Positive" self-certification.
