June 2026

Good Morning Students and Parents,

As we enter the final weeks of the 2025–2026 school year, there is a great deal happening throughout our building. Students and staff are preparing for final exams, participating in end-of-year activities, celebrations, field trips, concerts, and other important events that showcase the hard work and accomplishments of the year. This is an exciting and busy time for everyone, and I encourage students to remain focused, finish strong, and take pride in all they have achieved. I would also like to extend my best wishes to our 8th grade students as they prepare to transition to high school. We are incredibly proud of their growth, accomplishments, and contributions to our school community, and we look forward to seeing all they will achieve in the years ahead.
