School Year 2024-2025

School Highlight: OFY-SB provides an alternative educational option for opportunity youth who have experienced academic challenges and often have skill gaps due to academic and non-academic issues. OFY-SB provides an education that increases our students' options upon graduation for either post-secondary learning or entering the professional market, thus positively impacting the community. We create access to excellence by giving our students resources and empowering them to achieve their dreams and reach their full potential.
