

School Year 2024-2025

School Highlight: The Savant Preparatory Academy of Business is designed to provide an enriched and innovative educational experience that is rooted in financial literacy and entrepreneurship. We aim to balance both experiential and academic learning in order to prepare children for the demands of the 21st century, equip students – referred to at SPAB as scholars – with skills necessary to compete globally, ensure that scholars are career, college, and business ready, and develop a growth mindset to encourage leadership and management capabilities. SPAB fosters family choice and offers students and families with educational options for an exemplary education.
