Serving Grades K-6

School Year 2024-2025

School Highlight: Woodward Leadership Academy implemented a comprehensive, multi-tiered instructional model designed to accelerate learning and close achievement gaps for all students. Through our Literacy Grant initiatives, students received individualized academic support, including daily on-on-one tutoring, targeted small-group instruction, and ongoing progress monitoring to strengthen foundational literacy and math skills. With Proposition 28 funding, WLA expanded enrichment opportunities by integrating high-quality performing arts and cooking classes, providing hands-on, culturally rich learning experiences that increased student engagement and supported whole-child development. Additionally, our after-school Soar Club extended learning through academic tutoring, enrichment, and structured mentorship.
