Over the next few months, you will be hearing from our team and me with important information to help you prepare for your child's first day of school. In the meantime, I wanted to personally connect and share my contact information in case you have any questions. Our Campus Registrar and front office staff are also available during regular school hours to assist you.

We are currently planning upcoming "Open House" events, which will give new Harmony families the opportunity to visit the campus, meet our staff, and learn more about what makes Harmony special. I will be sharing additional details with you soon.

In the meantime, please feel free to explore the helpful links provided below. Thank you again for choosing Harmony School of Science Elementary for the 2026-2027 school year. I look forward to getting to know you and your family very soon.
