Clay Middle School PTO April Update!

It is hard to believe we are already entering the home stretch of the school year! As we head into these final weeks, we want to express how incredibly grateful we are for our amazing families. Your support and dedication throughout the year have truly made a difference for our students and staff! Although summer is just around the corner, we still have plenty of excitement ahead, including Teacher Appreciation Week, our final Game Shack shifts, and the extension of being able to order 8th-grade yard signs.

Thank you for helping us finish the year strong and for everything you do to make our school community so special!

Clay PTO in Action!

Thank you to all the families who donated to our last Tuesday Treats of the year! We truly appreciate your kindness and the way this community consistently steps up to show our educators how much they are valued. What an amazing way to spoil our teachers and staff! Thank you!

We still have some shifts left this year! Looking for a fun and easy way to volunteer at Clay? Check out our Game Shack! This little “store” in the cafeteria lets students borrow board games and card games to play during lunch, and we need volunteers to help run it. It’s a simple, regular volunteer opportunity and the kids love it! Click below to sign up!
