IEP Progress Report Calendar Reminders:

- SpEd Teachers will enter the progress for integrated Related Service goals/objectives. Related Service providers will share data with the teachers in accordance with the schedule above. In the case that a Related Service goal is not integrated, the Related Service Provider will update progress until the time that the goal is achieved, or the goal is changed in the IEP to be integrated.
- If an Annual ARD meeting was conducted **one week prior to the “Data Collection End Date,”** updated IEP progress has already been shared with the parents at the Annual ARD meeting; therefore, an updated progress report is not required to be sent home for that reporting period.
- Each nine week progress report date must reflect the date listed in the **“IEP Progress Report Sent Home”** column in order for the Frontline Progress Report Non-Completion Report to run correctly each nine weeks.
- TEA requires the following:
 - **All goals and objectives/benchmarks MUST be updated each reporting period.**
 - All goals and objectives/benchmarks **MUST be updated with the same quantified measurement criteria identified in each goal and objective/benchmark such as a percentage (50%, 70%, etc.) or a ratio (2/5 trials, 7/10 trials, etc.).** Statements like “mastered”, “working towards”, and “introduced skill” do not meet this requirement.
