

Contra Costa College

EARLY COLLEGE CREDIT OPPORTUNITIES Aim for *Graduation+College Credit*

Students can earn college credit through West Contra Costa's Dual Enrollment program.

What is Dual Enrollment?

Dual enrollment is an opportunity to enroll in community college classes right at your high school. Dual enrollment classes allow you to earn high school AND college credits at the same time! You will be working towards high school graduation+ completing college coursework.

What are the Benefits?

Success in dual enrollment classes means you will:

- experience real college-level courses
- demonstrate that you're ready for college
- save time and money on a future degree
- build confidence & strengthen college applications

What Courses are Offered?

WCCUSD has expanded the number of dual enrollment courses offered in recent years. We offer Administration of Justice, African American Studies, Early Childhood Education, Health Education, Math, Media, Medical Assisting, and Psychology classes among others.

How Can I Find Out More Information?

For more details about dual enrollment:

- talk to your School Counselor or the College & Career Counselor at your school
- use SchoolLinks to find out what college credit opportunities your school offers; look for courses with a [DE] or [AR] in the name

schoolinks 

Use the QR code to open SchoolLinks to discover more about early college credit courses in WCCUSD.
