WELCOME TO 8TH GRADE!

Dear 8th Grade Families:

Welcome to the 2026-2027 school year at Roxboro Middle School! We are so excited to have the privilege of walking alongside your child during one of the most important years of their middle school journey. This is the year where so much comes together: growth, discovery, and preparation for the exciting chapter ahead in high school. Our team is committed to making this year one your student will always look back on with pride.

As 8th graders, your students will have an incredible lineup of events to look forward to this year, from ROARS assemblies and VIP events to the Formal Dance, Farewell Ceremony, and so much more! We hold high expectations for every student because we believe deeply in what they are capable of, and their success is always our top priority.

We know that the strongest outcomes happen when home and school work together, and one of the most powerful things your student can do is simply show up. Research shows that missing just 10% of the school year (about 18 days) can significantly impact academic progress. Please partner with us in making attendance a priority, and do not hesitate to reach out early if your student is facing any barriers. Our doors and inboxes are always open

Sincerely,

The 8th Grade Team
