

5132 Student Appearance

Students are expected to dress appropriately when they are in school or participating in school activities. ~~Rules concerning student dress may be established by the school administration to ensure that the student dress meets standards of cleanliness, healthfulness, and safety; and does not disrupt the educational process. Generally the responsibility for dress and appearance of the student will rest with the individual student and his/her parents, however, students will not be permitted to wear:~~

Student dress and appearance must not create an educational disruption, be contrary to the mission of the school, or pose a threat to the health or safety of students.

School administrators will adopt and enforce student dress regulations to promote cleanliness, health, safety, appropriateness, and to prevent disruption of the educational environment. Each school will establish building-specific dress expectations, which will be published annually in the parent/student handbook after approval by the Superintendent or designee. Responsibility for a student's dress and appearance primarily rests with the student and the student's parent(s) or guardian(s), in accordance with the guidelines set forth in the handbook.
