A Guide to Public Housing

Shawano County & City of Shawano Housing Assistance

What is Public Housing?

Public housing was established to provide decent and safe rental housing for eligible low-income families, the elderly, and persons with disabilities. Public housing comes in all sizes and types, from scattered single-family homes to apartments for elderly families. There are two programs available that include Public Housing and Housing Choice Voucher Program. In our area, you can apply for housing through the City of Shawano or through Shawano County.
